

Senior Manager (Sales & Marketing)

GTM and marketing leader with **4+ years** across **B2B SaaS**, technology services, and **consumer IoT**. Full ownership of **brand strategy, demand generation, and paid media budget**, with proven **0-1 product GTM** experience building revenue from zero. Skilled in **product positioning, ABM, sales enablement, and full-funnel demand generation** across B2B and B2C segments. Builds **AI-first marketing operations** and GTM automation infrastructure.

WORK EXPERIENCE

Senior Manager - Sales & Marketing [smartSense Consulting Solutions Pvt. Ltd.](#) [2022-Present](#)

[Product Marketing - Product, Foster](#) | [Early Talent SaaS Product](#) | [B2B SaaS](#) | [0-1 Scale](#)

- Owned **end-to-end supply-side GTM** for a **0-1 B2B SaaS** product, scaling to **10,000+ institutional accounts** and **\$150,000+ revenue** from zero through **positioning, partnerships, and community-led growth loops**.
- Drove **product adoption and activation** across **2,000+ account activations**, **1,500+ campus drives**, and **100+ workshops, webinars, and case competitions**, reaching **100,000+ users** and **1,200+ placements**.
- Executed **2 end-to-end product launches** plus ongoing feature releases, partnering with product, design, engineering, and leadership on **launch messaging, customer communications, sales enablement, and adoption campaigns**.
- Led **80+ product demo calls** and built **sales enablement collateral** - product decks, brochures, FAQs, demo narratives, objection handling - translating product capabilities into customer-specific use cases and supporting account acquisition.
- Built the product website from scratch** - information architecture, messaging, content, and blogs - with **integrated website analytics**, and developed onboarding resources, feature announcements, and **digital marketing assets** to accelerate adoption.
- Managed **Voice of Customer (VoC)** programs across community, user, and employer segments, translating insights into **roadmap prioritization**, feature enhancements, and UX improvements.
- Conducted **market research, competitive analysis, and customer needs assessment** to refine **product positioning, value propositions, and messaging**.

[B2B Services Marketing - SaaS/Technology Services](#) | [Enterprise B2B Sales](#) | [End-to-end GTM](#)

- Owned the **LinkedIn-led demand generation funnel** and **ABM research** targeting **mid-market, SME, and enterprise** buyers across healthcare, legaltech, real estate, and insurance verticals; generated **\$5M+ pipeline** and assisted in **\$1M+ closed revenue across 4 enterprise deals**.
- Executed **ABM programs targeting C-suite** and senior decision-makers across **enterprise buying committees** through personalized multi-channel outbound, optimizing **MQL-to-SQL conversion**.
- Built **100+ sales enablement assets** - technical case studies, pitch decks, proof-of-concept use cases - supporting closure of **4 high-value enterprise contracts**.
- Owned **pre-sales and proposal development**, mapping deal-stage drop-off into enablement collateral and positioning.

[Brand & Demand Generation - DOO Smart Homes](#) | [Home Automation Brand](#) | [B2C/B2B](#) | [End-to-end GTM](#)

- Owned **brand and demand generation end-to-end**, including **quarterly paid media budget**; scaled ARR **\$30K to \$240K (8X)** for a consumer IoT brand.
 - Rebuilt **Meta Ads paid acquisition** through continuous **A/B testing** across creative, audience cohorts, and geo-targeting; reduced **CPL ~80%**, achieved **~5X ROAS**, generated **20,000+ high-intent leads**.
 - Assisted in building the **B2B distribution network** of **50+ partners across 12+ states** with high-ticket **sales enablement** and continuous **pipeline management**.
 - Developed **brand strategy** from inception - **positioning, buyer personas, messaging framework, brand guidelines** - and led full brand revamp across digital touchpoints.
 - Implemented **AEO and GEO content strategy** driving **20X brand engagement**, **40X website traffic**, **5M+ organic reach**, and **2,000+ inbound leads** across Instagram, WhatsApp, and web funnels.
 - Led **end-to-end product and feature launches** with sales, technical, and leadership teams - launch plans, messaging, customer communications, enablement assets, GTM execution.
 - Managed continuous **VoC loop** across consultations, channel partners, and post-sales, informing **roadmap prioritization, packaging, and CX**.
-
